Donut chart showing the distribution of the number of publications by year of publication. The chart is divided into two segments: a green segment representing 129.57K (29.13%) and a yellow segment representing 315.23K (70.87%). The total number of publications, 444.79K, is displayed in the center of the donut.

Year of Publication	Number of Publications (K)	Percentage (%)
2017-2020	129.57K	29.13%
2011-2016	315.23K	70.87%
Total	444.79K	

A line chart with a yellow shaded area underneath, showing 'Total Sales' on the y-axis (0K to 100K) and 'Outlet Establishment Year' on the x-axis (2011 to 2020). The data points are: 2011 (8K), 2015 (47K), 2016 (132K), 2017 (133K), 2018 (74K), and 2020 (50K). The chart shows a sharp increase in sales starting around 2015, peaking in 2017, and then a decline.

Outlet Establishment Year	Total Sales
2011	8K
2015	47K
2016	132K
2017	133K
2018	74K
2020	50K

Tier	Cases	Percentage
Tier 2	230,490	96.5%
Tier 1	205,920	86.3%
Tier 3	8,387	3.6%
Total	238,807	100%
